

Here's a suggested prayer to include in the Prayers of the Church.

"Gracious God, we praise You for the inspired Word which You have given to Your Church. By the power of Your Spirit, use it to affirm our hope in Jesus Christ as Saviour, Lord and Servant-King. May the Scriptures also bring conviction and transformation to our lives through the message of the cross.

We bring before You those schools that have been established to foster growth as disciples of Jesus Christ. In particular we remember the Canadian Lutheran Bible Institute in Camrose, Alberta, Canada. As students and staff live in Christian community under the influence of Holy Scripture may each one be transformed by the Gospel to reflect a Christlike character to the world around. Enable CLBI's ministry to continue to send forth Your light throughout our nation and the world, bringing glory to the Father. Through Christ we pray, AMEN."
